

Price Guide

We offer clear, simple and competitive prices that suit your campaign and budget

Here are our current prices for you to take a look at. (Please note: these prices are a guide and exclude VAT).

Solus leaflet and mailshot distribution

Minimum order of 7,000

What does the service involve?

We deliver your leaflets on their own, which means there are no other leaflets for your literature to compete against.

How much does it cost?

From £65 per 1,000 leaflets

Shareplan leaflet and mailshot distribution

Minimum order of 10,000*

What does the service involve?

We deliver your leaflets and mailshots alongside other non-competing leaflets.

This results in lower rates as you're effectively sharing the delivery, and the associated distribution cost.

*Service is subject to availability. Share plan bookings can be subject to price changes should one or more item be cancelled.

How much does it cost?

Prices vary according to how many other leaflets are delivered alongside your door drop.

- **Alongside one other item** – from £35 per 1,000 leaflets
- **Alongside two other items** – from £28 per 1,000 leaflets
- **Alongside three other items** – from £25 per 1,000 leaflets
- **Magazines and newspapers** – call us for a quote

Other distribution options

Business to business delivery – from £135 (based on per person, per day)

Tailor-made distribution – from £135 (based on per person, per day)

Please note – we are able to offer next day door drops however normal turnaround is between 7 and 14 days. Prepayment is required with all bookings. Distribution options are subject to availability.
